

GERMANY

Youth for science, youth for business, science for business

Clusters:

Internal main platforms for mapping clusters in Germany are:

[Clusterplattform](#)
(search can be filtered through criteria of excellency)

[Clusterportal Baden- Wurttemberg](#)
(showing also cluster initiatives)

German cluster are present also on [EU Clustercollaboration](#) and [Cluster Observatory](#)

Good practices in cluster policy most worthy to be mentioned are the following:

- ✓ [Go – Cluster programme](#) – fostering cluster excellency
- ✓ [Umweltcluster](#) - facilitates the collaboration between the actors of environmental industry and science in Bavaria.
- ✓ [Umweltwirtschaft.nrw](#) - aims to improve North RhineWestphalia's position in the GreenTech industry
