

SLOVENIA

Youth for science, youth for business, science for business

Crowdfunding:

Complete analysis of crowdfunding policy and also examples of good practice on international platforms like [Kickstarter](#), [Indiegogo](#), [Adrifund](#) are available in the study performed with [Danube Interreg project](#).

Additionally can be mentioned the following:

[Fusedrops](#) - Slovenian-Italian crowdfunding

[TravelStarter](#) – tourism and crowdfunding combined

Youth for science, youth for business, science for business
