

REPUBLIC OF MOLDOVA

Youth for science, youth for business, science for business

Good practices: policy measures for circular economy and eco-innovations:

- ✓ [Agricultural Information Center](#) –fostering research and innovation as part of e-agriculture strategy;
- ✓ [E-Government Center](#) – transformation of the public services through digitizing in parallel with developing infrastructure and shared services, and engaging in training programmes, both for civil servants who will need to develop and manage services, which included embedding 67 CIOs and 19 full departments in public agencies and for the general public who will be using the services¹.

Youth for science, youth for business, science for business
